EDITORIALS AND OP-EDS

Braumoeller, Bear F., and Bruce Russett. (2017) “Trump’s Tweets Can Be A Distraction, But Do They Signal A Real Threat To International Institutions?” *The Washington Post*, January 18.

Braumoeller, Bear F. (2016) “Has the American military fallen behind?” *The Conversation*, May 2.

Braumoeller, Bear F., and David Alpher. (2015) “Pass or fail? Profs grade GOP foreign policy debate,” *The Conversation*, December 16.

Braumoeller, Bear F. (2014) “The Curious Case of America’s Failing Diplomacy.” *The Washington Post*, August 26.

Braumoeller, Bear F. (2013) “Why ‘Isolationist’ Obscures More than It Reveals.” *The Monkey Cage*, May 2.

SOFTWARE PROGRAMS

`QCAfalsePositive`, package to implement false-positive QCA test described in “Guarding Against False Positives in Qualitative Comparative Analysis,” *Political Analysis*, 2015, in the R language

`boolean3`, package to implement Boolean logit and probit (described in “Causal Complexity and the Study of Politics,” *Political Analysis*, 2003) in the R language

`mlboolean`, package to implement Boolean logit and probit in Stata

HONORS AND AWARDS

Recipient of Mershon Center grant for 2017-18. Subject of research: “The Microfoundations of War Intensity.”

Recipient of Nobel Fellowship, Nobel Institute, Oslo, Norway, summer 2016.

The Society for Political Methodology Outstanding Reviewer Award, 2016.

Recipient of the International Studies Association's Book of the Year Award, 2014, for *The Great Powers and the International System: Systemic Politics in Empirical Perspective*. This annual award is conferred on the best book in the field of international studies.

Recipient of the International Studies Association–Midwest's J. David Singer Award, 2014, for *The Great Powers and the International System: Systemic Politics in Empirical Perspective*. This triennial award is given to the author of an outstanding book published in the previous three years.

Honorable mention, Best Book Award contest, International Security Studies Section of the International Studies Association, for *The Great Powers and the International System: Systemic Politics in Empirical Perspective*.

Letter of commendation from the Dean of Social and Behavioral Sciences, Ohio State University, Fall 2013, for receipt of the International Studies Association's Book of the Year Award

Letter of commendation from the Dean of the Faculty of Arts and Sciences, Harvard University, Spring 2007, for excellence in teaching

Distinguished Research Fellow, Weatherhead Center for International Affairs, spring 2005

Recipient, John F. Cogan Junior Faculty Leave Grant, Davis Center for Russian and Eurasian Studies, fall 2004

Arnold O. Beckman Award for research project of special distinction for project on isolationism in international relations, University of Illinois, academic year 1998–1999

Recipient of International Studies Association's Carl Beck Award for best graduate student paper delivered at annual meeting of ISA, 1996 ("Deadly Doves: Liberal Nationalism and the Democratic Peace in the Soviet Successor States")

Participant, Junior Masters Seminar, Merriam Laboratory for Analytical Political Research, Sept. 22–25, 1994, Champaign, IL

Recipient of Armstrong/Donia Fellowship, Center for Russian and East European Studies, University of Michigan, 1994–95

INVITED
LECTURES
AND
WORKSHOPS

University of Iowa, Iowa City, IA., March 2017. Talk: "Is War Disappearing?" Talk: "The Contributions of Social Science to Data Visualization"

Rice University, Houston, TX, December 2016, Symposium on Agreements, Law, and International Politics. Paper: "Flexible Causal Inference for Political Science."

University of Pittsburgh, Department of Political Science, Pittsburgh, PA, Global Politics Seminar, October 2016. Talk: "Evaluating the Decline-of-War Thesis."

National University of Singapore, Singapore, IPSA-NUS summer school, July 2016. Two-week course on data literacy and data visualization.

The Norwegian Nobel Institute, Bergen, Norway, Nobel Symposium, June 2016. Subject: "The Causes of Peace."

The University of Chicago, Department of Political Science, Chicago, IL, Program on International Security Policy speaker series, May 2015. Subject: “Evaluating the Decline-of-War Thesis.”

Vanderbilt University, Department of Political Science, Nashville, TN, April 2015. Subject: “Evaluating the Decline-of-War Thesis.”

Wissenschaftszentrum Berlin für Sozialforschung (WZB), Berlin, Germany, July–August 2014. Guest lecturer. Subject: Boolean Logit and Probit.

Ohio State University, Fisher School of Business, January 2014. Talk: “Interactive Data Visualization.”

Nationwide Insurance, Columbus, OH, September 2013. Talk: “Interactive Data Visualization.”

University of California, Los Angeles, Department of Political Science, December 2013. Subject: “Is War Disappearing?”

Yale University, Department of Political Science, November 2013. Subject: “Is War Disappearing?”

University of California at Davis, Davis, CA, May 2013. Subject: *The Great Powers and the International System*.

Purdue University, Department of Political Science, West Lafayette, IN, April 2013. Subject: *The Great Powers and the International System*.

Northwestern University, Department of Political Science, Evanston, IL, December 2010. Subject: *The Great Powers and the International System*.

Swiss Federal Institute of Technology, Zürich, Switzerland, November 2010. Subject: *The Great Powers and the International System*.

University of Maryland, Department of Political Science, College Park, MD, November 2010. Subject: *The Great Powers and the International System*.

University of Wisconsin, Department of Political Science, Madison, WI, November 2009. Subject: *The Great Powers and the International System*.

University of Michigan, Department of Political Science, Ann Arbor, MI, October 2009. Subject: *The Great Powers and the International System*.

Princeton University, Department of Politics, Princeton, NJ, October 2009. Subject: *The Great Powers and the International System*.

Rutgers University, Department of Political Science, New Brunswick, NJ, October 2009. Subject: *The Great Powers and the International System*.

University of Maryland, Department of Political Science, College Park, MD, September 2009. Subject: *The Great Powers and the International System*.

2009 Research Group on Qualitative and Multi-Method Analysis, Syracuse University, Syracuse, New York, May 2009. Subject: “Social Science Methodology: A Criterial

Framework.”

Massachusetts Institute of Technology, Department of Political Science, Cambridge, MA, February 2009. Subject: “Assessing China’s Rise: Power and Influence in the 21st Century” (declined).

Center for the Study of Complex Systems, University of Michigan, Ann Arbor, MI, April 2008. Subject: “Causal Complexity and the Study of Politics.”

Centre for European Social Research, Mannheim, Germany, September 10, 2007. Day-long seminar: “Understanding and Modeling Causal Interactions.” General talk about interaction models, applied example from international politics, and computer workshop.

Annual Meeting of the American Political Science Association, 2005. Short course: “Choosing and Defending Specifications in Political Science: Complex Interactions Among Variables and Comparative Models Testing” (with Kevin Clarke)

The Ohio State University, Mershon Center, May 20, 2005. Subject: “Systemic Politics: The Great Powers in General (Dis-)Equilibrium.”

Rochester University, Department of Political Science, April 29, 2005. Subject: “Nested Politics and the Origins of Great Power Rivalry.”

Applied Statistics Workshop, Harvard University, February 25, 2005. Subject: “Causal Complexity and the Study of Politics.”

Columbia University, Department of Political Science International Politics Seminar, December 2003. Subject: “A New Systemic Theory of International Politics.”

New York University. 2003 Northeast Methods Meeting. Subject: “Modeling Causal Complexity with Boolean Logit and Probit.”

Hubert M. Blalock memorial lecture series: Causal Inference in the Social Sciences. Inter-University Consortium for Political and Social Research summer program, July 2002.

Davis Center, Harvard University, Russian foreign policy series, 1999-2000 (declined due to impending wedding)

University of California at Riverside International Relations speaker series, spring 1998 (declined)

CONFERENCE
PRESENTATIONS

Participant, 2016 Nobel Symposium on the causes of peace, Oslo, Norway, June 16-19, 2016.

2015 Annual Meeting of the American Political Science Association, San Francisco, CA, September 3-6. Author of two papers, “Unifying the Study of Asymmetric Hypotheses” (with Drew Rosenberg and Austin Knuppe) and “Resolving Fortna’s Dilemma: Estimating the Causal Effect of Peacekeeping” (with Aisha Bradshaw, Giampiero Marra, and Rosalba Radice).

2014 Annual Meeting of the American Political Science Association, Washington, DC, August 28-31. Participant, roundtable to commemorate the 25th anniversary of the

publication of Most & Starr, *Inquiry, Logic, and International Politics*.

2013 Annual Meeting of the Peace Science Society International, Knoxville, TN, October 24-26. Presented paper, "Is War Disappearing?"

2013 Annual Meeting of the American Political Science Association, Chicago, IL, August 29-September 1. Presented paper, "Is War Disappearing?" Presented paper, "The *Anna Karenina* Principle in International Relations." Discussant.

2013 Annual Meeting of the International Studies Association, San Francisco, CA, April 3-6. Presented paper, "Is War Disappearing?" Presented paper, "The *Anna Karenina* Principle in International Relations." Discussant.

2011 Annual Meeting of the Peace Science Society International, Los Angeles, CA, October 14-15. Chaired panel, attended meeting of Council of the Society

2011 Annual Meeting of the Midwest Political Science Association, Chicago, IL, May 31-April 3. Presented paper, "Causes and Statistics," with Kevin Clarke.

2011 Annual Meeting of the International Studies Association, Montreal, Canada, March 16-20. Presented paper, "Greed or Opportunity? Refining our Understandings of the Origins of Civil Wars," with Ben Jones.

2010 Annual Meeting of the Peace Science Society International, Fort Worth, TX. Paper: "The Fog of Peace: Uncertainty, War, and the Resumption of International Crises," with Eleonora Mattiacci.

2009 Annual Meeting of the Peace Science Society International, Chapel Hill, NC. Paper: "How Political Relevance and Democracy Affect Conflict: Two Theoretical Propositions," with Austin Carson.

2008 Annual Meeting of the American Political Science Association, Boston, MA. Chaired and participated in roundtable with Chris Achen, John Gerring, Kevin Clarke, and Jake Bowers on subject of causal mechanisms; discussant for panel on subject of "Prospects and Pitfalls of Multi-Method Research."

2006 Annual Meeting of the Peace Science Society International, Columbus, OH. Paper: "Modeling the Paths to Peace." With Sarah Croco.

2006 Annual Meeting of the American Political Science Association. Discussant for panel entitled "Descriptive Inference: What Is It and What Is It Good For?"

2006 Conference on New Macrotheoretical Approaches to International Relations, Fakultät für Soziologie, Institut für Weltgesellschaft, Bielefeld, Germany. Paper: "Systemic Theory in the Macroeconometric Tradition."

2005 Conference on New Frontiers in Systemic Theory, Ohio State University, Columbus, OH. Paper: "Systemic Theory in the Macroeconometric Tradition."

2005 Annual Meeting of the Peace Science Society International, Iowa City, IA. Paper: "An Empirical Test of a Systemic Theory of IR."

2005 Annual Meeting of the American Political Science Association. Discussant for panel entitled "Between Qualitative and Quantitative Methods." Discussant for panel

entitled “Methodological Innovation at the Intersection of Qualitative and Quantitative Methods.”

2004 Annual Meeting of the Peace Science Society International, Houston, TX. Paper: “A New Systemic Theory of International Politics: Nested Politics and Great Power Conflict.”

2004 Annual Meeting of the American Political Science Association, Chicago, IL. Paper: “Nested Politics: A New Systemic Theory of IR.” Discussant for panel entitled “Theories, Concepts, and Typologies.”

2004 Annual Meeting of the Society for Political Methodology, Palo Alto, CA.

2004 Annual Meeting of the International Studies Association, Montreal, Canada. Paper: “Updating Systemic Theory: Nested Politics and the Origins of Great Power Rivalry.”

2003 Annual Meeting of the CEEISA/ISA International Convention, Budapest, Hungary. Paper: “A Dynamic Solution to the Agent-Structure Debate in International Relations.”

2003 Annual Meeting of the International Studies Association, Portland, OR. Paper: “Toward a Truly Systemic Theory of International Politics: Resolving the Agent-Structure Debate.”

2002 Annual Meeting of the American Political Science Association. Boston, MA. Roundtable: “Necessary Causes: Theory, Methodology, and Applications.” Paper: “Explaining Variance, or, Stuck in a Moment We Can’t Get Out Of.”

2002 Program on New Approaches to Russian Security spring academic conference, Seattle, WA. Paper: “Nested Politics and the Origins of Great Power Rivalry.”

2002 Annual Meeting of the International Studies Association, New Orleans, LA. Paper: “System, State, and Citizen: Nested Politics and the Origins of Great Power Rivalry.”

2001 Annual Meeting of the International Studies Association, Chicago, IL. Paper: “Causes and Contexts: Bridging the Synoptic-Nomothetic Gap,” on roundtable, “The Past as Future: World Politics and the Historical Method.”

2000 Program on New Approaches to Russian Security fall policy conference, Washington, D.C. Memo: “A Sober Second Look: Reassessing the Logic of Missile Defense.”

2000 Annual Meeting of the International Studies Association, Los Angeles, CA. Paper: “Statistical Research in International Relations” (working title; with Anne Sartori)

1999 Program on New Approaches to Russian Security fall policy conference, Washington, D.C. Memo: “Russian Political Attitudes and Political Parties.”

1999 Annual Meeting of the American Political Science Association, Atlanta, GA. Paper: “Small-N Logic and Large-N Research: Statistical Tests of Multiple Causal Path Theories.”

1999 Program on New Approaches to Russian Security spring academic conference, Rockport, MA.

1999 Annual Meeting of the Midwest Political Science Association, Chicago, IL. Paper: “Statistical Estimation in the Presence of Multiple Causal Paths.”

1999 Annual Meeting of the International Studies Association, Washington, D.C. Paper: “Incorporating the Logic of Multiple Causal Paths into Statistical Research in International Relations.” Discussant for panel entitled “Case Studies, Bayes, and Causal Inference.”

1997 Annual Meeting of the American Political Science Association, Washington, D.C. Paper: “Isolationism: The Phenomenon, its Importance, and its Relevance to Your Research.” Poster session: “A Formal Dynamic Model of Isolationism and Internationalism.”

1997 Annual Meeting of the International Studies Association, Toronto, Ont., Canada. Chaired panel on USSoviet Successor States relations. Paper: “Isolationism in International Relations.” Paper: “Theory, Methodology, and Necessary Conditions.”

1997 Annual Meeting of the Midwest Political Science Association, Chicago, IL. Poster session: “The Methodology of Necessary Conditions.”

1996 Annual Meeting of the International Studies Association, San Diego, CA. Paper: “Deadly Doves: Liberal Nationalism and the Democratic Peace in the Soviet Successor States.” Paper: “The Methodology of Necessary Conditions.”

1995 Annual Meeting of the Midwest Political Science Association, Chicago, IL. Paper: “Deadly Doves? The Democratic Peace and the Soviet Successor States.”

1994 Annual Meeting of the Peace Science Society International, Champaign, IL. Paper: “The Democratic Peace and the Soviet Successor States.”

PROFESSIONAL ASSOCIATIONS

Associate Editor, *Journal of Global Security Studies*, 2017–present

Councilor of the Peace Science Society International, 2011–2015

Member of Editorial Board of *Conflict Management and Peace Science*, 2011–2014

Member of Editorial Board of *International Studies Quarterly*, 2009–2013

Member of Editorial Board of *Political Analysis*, 2007–2010

Member of Editorial Board of *American Journal of Political Science*, 2006–2009

Member of Editorial Board of Cambridge University Press series, “Strategies for Social Inquiry,” 2009–.

Reviewer, *Acta Politica*, *American Journal of Political Science*, *American Political Science Review*, *British Journal of Political Science*, *Cambridge University Press*, *Comparative Political Studies*, *Conflict Management and Peace Science*, *CQ Press*, *Empirical Economics*, *European Journal of International Relations*, *Foreign Policy Analysis*, *International Interactions*, *International Organization*, *International Politics*, *International Relations*, *International Security*, *International Studies Review*, *International Studies Quarterly*, *International Theory*, *Journal of Conflict Resolution*, *Journal of Peace Research*, *Journal of Political Science Education*, *Journal of Politics*, *Political Research Quarterly*, *Political Science Research and Methods*, *Journal of Statistical Soft-*

ware, Perspectives on Politics, Political Analysis, Political Science Research and Methods, Politics & Religion, The R Journal, Research & Politics, Review of International Studies, Security Studies, Sociological Methods & Research, World Politics, McGraw-Hill, National Science Foundation, University of Michigan Press, Cambridge University Press, Oxford University Press, Johns Hopkins University Press.

Faculty Associate, Program in Arms Control, Disarmament, and International Security, University of Illinois, 1998–2000

ADMINISTRATIVE
POSITIONS

Director of Graduate Studies, Ohio State University Department of Political Science, 2011–present

COURSES TAUGHT
AT OHIO STATE

Prior to semester transition

International Studies 201: Introduction to Peace Studies

Political Science 485: Techniques of Political Analysis (Honors)

Political Science 544: International Security and the Causes of War

Political Science 596: War By the Numbers

Political Science 747: Research Methods in International Politics

Political Science 846: Graduate Research Seminar

Political Science 848: Quantitative Studies of International Security

Political Science 867: Causal Mechanisms

Following semester transition

Political Science 3780: Data Literacy and Data Visualization

Also taught via iTunes U; as of October 2016, more than 7,500 subscribers.

Political Science 4781: Techniques of Political Analysis

Political Science 7375: Quantitative Studies of International Security

Political Science 8783: Graduate Workshop in International Relations
